

International Conference on Informatics

April 14 – April 16, 2022

Jaypee Institute of Information Technology

Noida, India

CALL FOR TUTORIAL PROPOSAL

The International Conference on Informatics (ICI 2022) seeks half-day tutorial proposals to educate the attendees on new and emerging topics. The tutorial must include emerging topics within the scope of Machine Learning, IoT, Cloud Technology, Blockchain etc. The tutorials may cover the topic along multiple dimensions like fundamentals, state of art, research directions, open research problems etc.

Proposals should be submitted in a PDF file, not exceeding 5 pages. The selected tutorials will be held on the first and the second day of the conference (14 April and 15 April, 2022).

TUTORIAL PROPOSAL FORMAT

The proposal should concisely and clearly describe the content and objectives of the tutorial, and must include:

- Abstract, objectives and motivation, and intended audience.
- Name and a short biography of each tutorial presenter.
- A description of the topics that the tutorial will address, emphasizing their timeliness.
- An outline of the tutorial content.
- Possibility of and suitability for a virtual presentation of the tutorial.
- A description of the past/relevant experience of the speaker(s) on the topic of the tutorial.
- A description of previous tutorial experience of the speaker(s), and past versions of the tutorial.

TUTORIAL PROPOSAL SUBMISSION TIMELINE
